*Grading System is applicable to undergraduate programs. Please refer to the current graduate and professional schools' bulletins for information about the grading systems used in those schools.

In Progress

The final grade has not been submitted by the instructor.

Academic Status

There are three categories of academic status for undergraduate students: Good Standing, Probation, and Suspension.

Honors

Academic honors are awarded to graduating seniors who have earned cumulative grade point averages as follows:

3.20 - 3.49	Cum Laude
3.50 - 3.79	Magna Cum Laude
3.80 - 4.00	Summa Cum Laude

Release of Student Information

Transcripts are provided at the request of the student in accordance with Public Law 93-380 (Family Educational Rights and Privacy Act of 1974). This record is released with the understanding that the recipient will not permit any other party to have access to it without written consent of the student concerned. See paragraph 99.29 of the Family Educational Rights and Privacy Act of 1974.

Repetition of Courses

An undergraduate student may repeat only once a course in which he/she has received a grade of *D* or *F*. The lower grade will not be counted in the computation of the cumulative GPA.

Exceptions to repeating a course more than once will be made only if it is a major or minor requirement for which the minimum grade of *C* is required, or if a student is ineligible to advance to the next level without a passing grade. All subsequent repeats, after the first one, will be counted in the computation of the GPA. The failing or previous grade received in repeated courses is not expunged from the academic record.

Students are not eligible to graduate with honors if they have repeated a course(s); they have not carried at least 12 credits for each semester enrolled, with the exception of the last semester in residence; and they have not completed the last half of the work required for their degree in residence at Howard.
